The Valley

ON THE HILLTOP

On the hilltop broad and rolling

Sewickley High!

Verdant lawns around thee growing

Sewickley High!

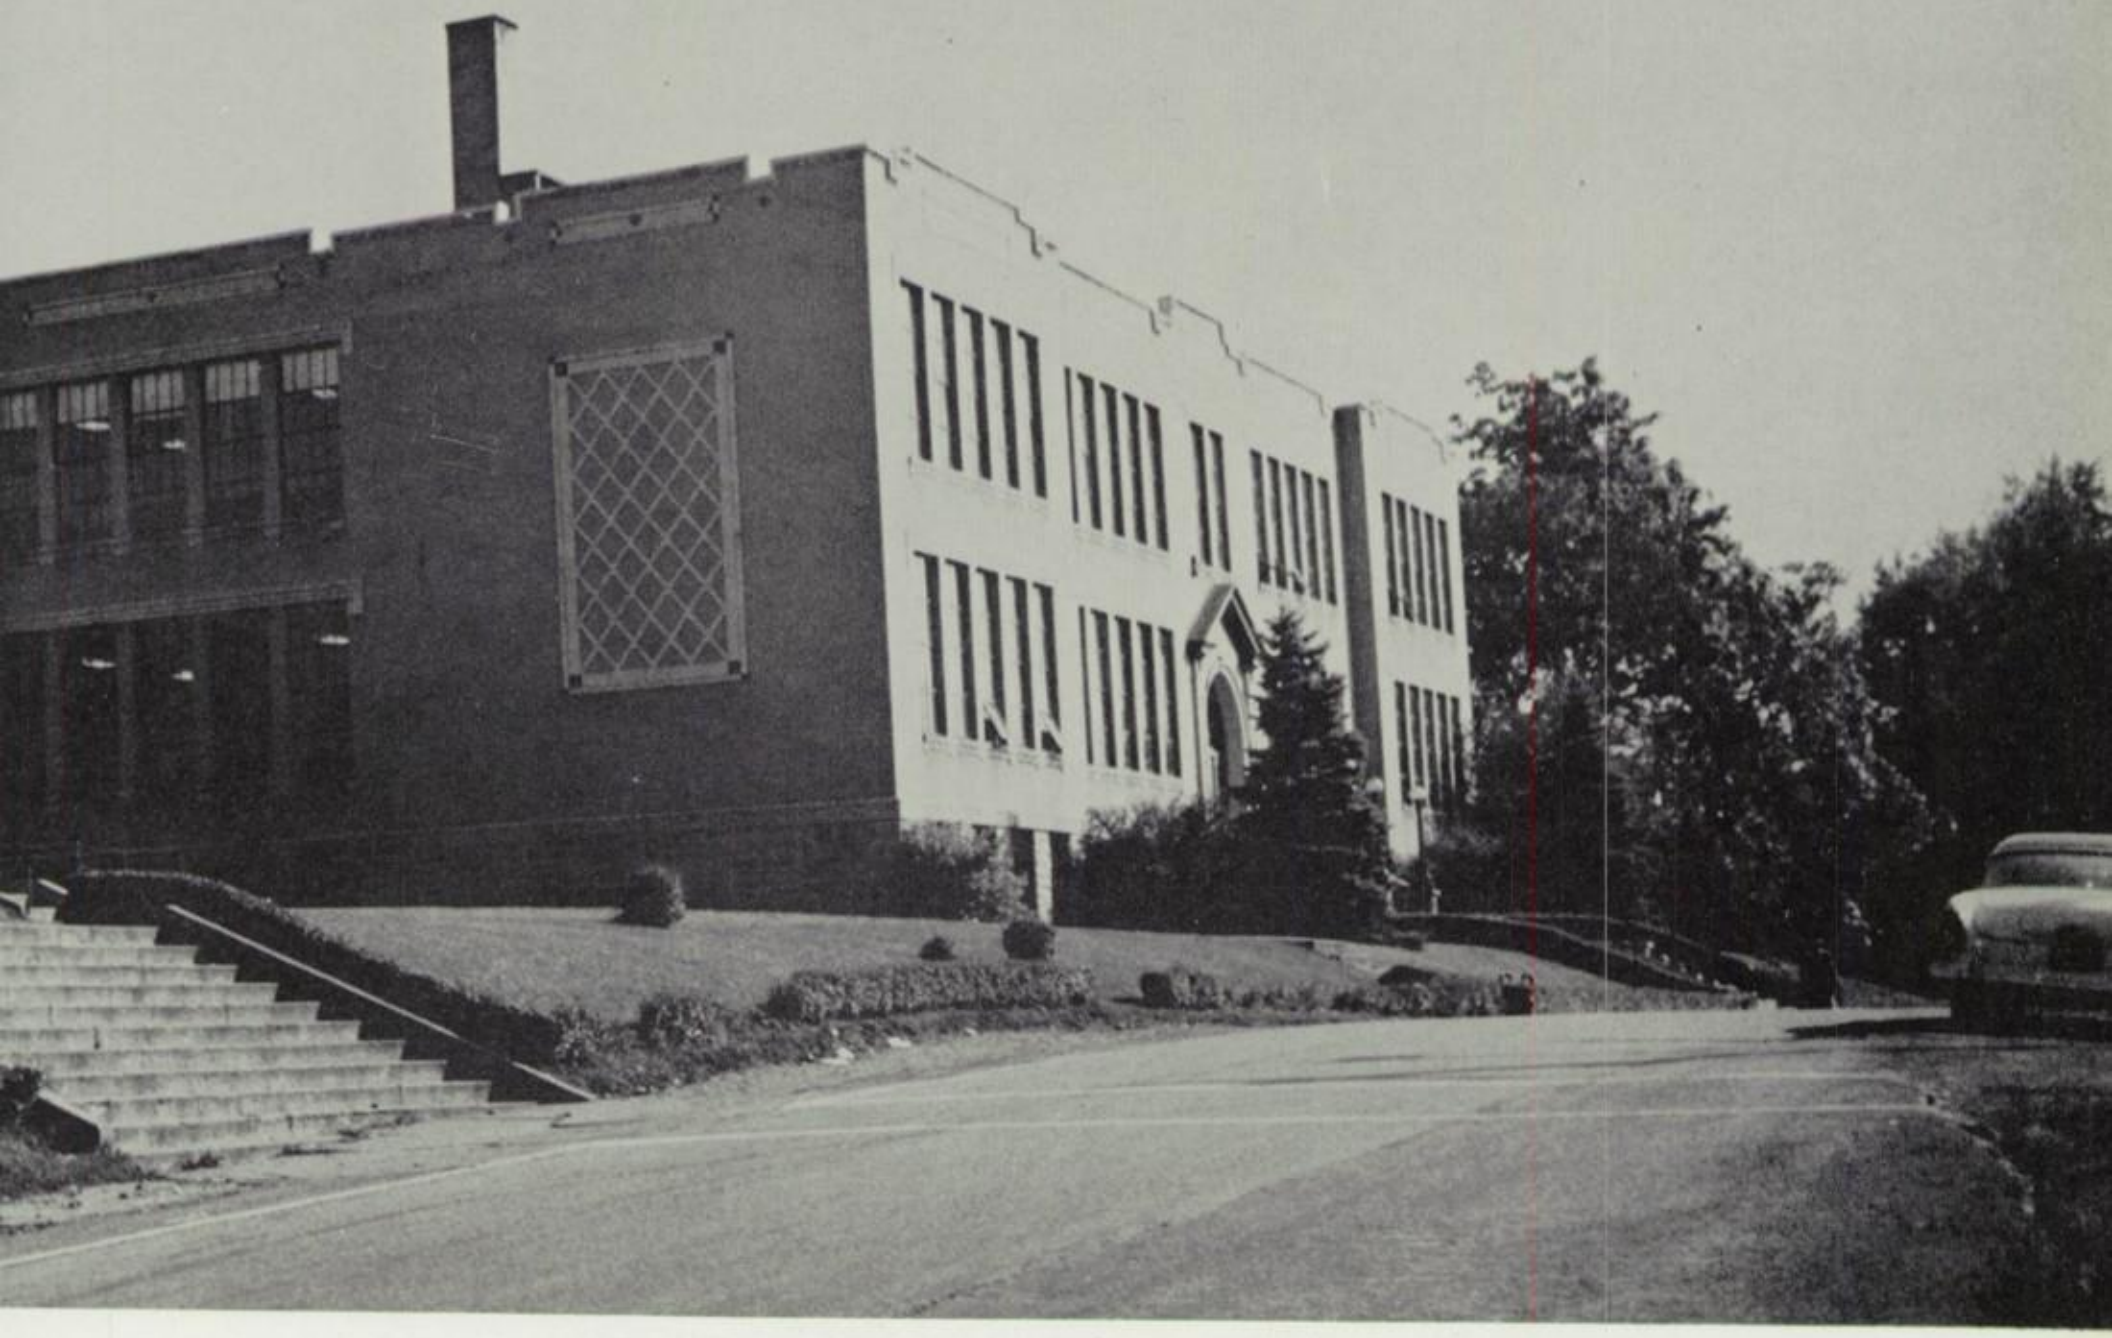
May her colors ever flying

Whose gay hues in splendor bying

Keep her spirit never dying

Sewickley High!

BROAD AND ROLLING



All thy loyal sons and daughters

Sewickley High!

Bless their dear old Alma Mater

Sewickley High!

When our paths have led beyond thee

In the years to come we'll praise thee

Thou shalt live again in memory

Sewickley High!

We The Class Of 1962 Humbly Ask:

Dear Lord, at this, another year
The way unseen, the path unclear,
We pray that Thou wilt be our Guide
On rugged road or stormy tide.
So much, dear lord, there is to do
If we could be Thy servants true!
So many cunning voices call!
We are so weak...Oh, when we fall

Or waver, give, with kindly hand,
Help to our struggling little band.
Direct each choice, each word we say,
Our zestful work, our needed play.
For we are young, as was Thy Son....
Until the world to Him is won
Grant us Thy glory, so that we
May wage a gallant fight for Thee.

THE SENIOR STORY

Today we Seniors of 1962 stand in awe as we look back over those six years that have been so important in our young lives. Six years that have flown so swiftly that they are almost unaccountable in our minds, and still, as short as they may have seemed, they can tell of the greatest, the saddest, the happiest hours of our lives.

Most of us entered seventh grade shy and uncertain as to what to expect. However, with the help of our class officers, we struggled through the first important year.

Our next step was the eighth grade which we entered with enthusiasm and a secret pride that at least someone was now below us.

The Freshman year was the year that really began our climb to the top. As Freshmen we enjoyed a new prestige. Not only were we allowed to attend all pep meetings, but also we held our first large social event, the Freshman Party.

As Sophomores we were active in all school affairs. The big event of this year was the Sophomore Dance. We chose as our class officers; President, Victor Dalla Betta; Vice-President, Deborah Zimmers; Secretary, Charlotte Solazzo; Student Council representatives, Janice Serro, Philip Kaufman, and Jay Cook.

By our Junior year we were famous. Everyone knew the "Jolly Juniors" were the champion Christmas candy sellers and the champion cheerers at the pep meetings. This year we enthusiastically sponsored both the Christmas Dance and the Junior-Senior Prom. Our class officers were President, Maureen Sleber; Vice-President, Rodney Hough and Secretary, Tonna Long.

Finally we were Seniors; happy students bestowing our senorial dignity throughout the school. To lead our Senior class we elected Joseph Baily as President, Ronald Fennell as Vice-President, Linda Ray as Secretary, and Joyce Novacek, Betty Hoffman, Charlotte Solazzo, Daryll Antoszyk and Janet Hutter as Student Council representatives.

These years will soon be memories, but they have left with us a reminder that the future will be an outgrowth of the same type of friendships, diligent work, and good times which are ever to be cherished by every member of the Class of 1962.

Joyfully Looking Forward To Their Senior Year

As we the class of 1963 entered Sewickley Area High School once again and began our junior year, we knew that it would be our most memorable and exciting year without exception.

To lead us through this year we elected for office the following: President, Barry Smith; Vice-President, Stanlee Kleeb; Secretary-Treasurer, Mary Stader; and Student Council representatives, Frieda Campbell, John Johnson, Linda Finfrock, and Louise Mitchell.

In late October we received our class rings, which we were pleased and proud to wear, for this event officially initiated us as members of Sewickley Area High School.

Not to be outdone by anyone, we were well represented in athletics and in the classroom. Also we can be proud of our cheerleaders and majorettes who capably represented us at games and pep meetings.

We also showed our salesmanship talents by selling candy at lunchtime and for Christmas. The funds raised from these projects were used for our two big social events, the Christmas Dance, and our most important event of the year, the Junior-Senior Prom.

As we leave our Junior year we can look back on many memorable events which will be with us forever, but now we must look ahead and prepare ourselves for the pinnacle of our high school career, our Senior Year.

Starting On The Road To Success

With much anticipation, we the class of 1964, entered our first year of Senior High. Football, basketball, clubs, and dances became much more exciting activities. Classes were more challenging since we could now select a varied program.

With the guidance of Mr. Halula, Mrs. Leasure, Mrs. Garlow and Mr. Rodebaugh, our homeroom teachers, we established ourselves high among the scholastic records of our school. The following names are frequently found on the honor roll: High Honor-Linda Guardasoni, Janet Lesniak, Phyllis Storey. Honor-Marilyne Berestecki, Dwight Gardner, Elizabeth Highberger, Angela Mudrak, and Karen Solomon.

We were represented in all phases of extra-curricular activities by our football and basketball players; our majorettes were, Helen Poznick, Wanda Fox, Janice Miller, and Alice Smouse; our cheerleaders were Mary Grushesky, Maxine Vozel, and Mary Prejza.

Class officers elected were the following: President, William Russell; Vice-President, Maxine Vozel; Secretary-Treasurer, Janet Lesniak; Student Council, JoAnn Klus, Mary Prejza, Alan Gaber, Mary Grushesky.

With this our sophomore year quickly fading and becoming only a memory, we can only look forward with much anticipation to our junior year at Sewickley Area.

Fancy-Free And Friendly Classmen

The Freshman class occupies room 2, under Mrs. McGrew; room 3, under Mrs. Lowry; room 9, under Mr. Shott; room 13, under Mr. Smith; shop, under Mr. Lasko.

This was an important year, for we were now the leaders of the junior high. The decision of an academic or commercial course had already been made, and each of us was now working toward his own goal or vocation.

A number of freshmen excelled in sports with successful seasons in basketball and football. Displaying their school spirit were five freshman cheerleaders.

Though we regret seeing the end of our freshman year, we are eagerly looking forward to our future years in the senior high.

Eager With Enthusiasm

On August 29, 1961 our class opened the doors of Sewickley with the hope of making this year our most memorable junior high year. We were distributed among the following teachers: Mr. Vassia, Mr. McCune, Mr. Pritts, Mr. Petroff, and Mrs. Greenawalt. Trying our best to receive honors, we worked to the best of our ability. High Honor, Barbara Britt, Deborah Raffaelli, Linda Rieger. Honor, Lorena Cochenour, Ronald Duncan, Patricia Grilc, Joanne Hildenbrand, Charles Keegan, Linda Krevokuch, Deems Leasure, Donald Mansfield, Bonnie Penman, John Podbesek, and Aleta Silvis.

In the beginning of the school term, we elected the following students to represent us. President, Joan Podbesek; Vice-President, Linda VanDyke; Secretary-Treasurer, Deborah Raffaelli; Student Council, Cynthia McGrew, Joanne Hildenbrand, Aleta Silvis, Judy Parks, and Nancy Aird.

We enthusiastically cheered our junior high football and basketball teams to victory.

We, the 8th grade of 1961-'62, shall try to prepare ourselves for our future years at Sewickley. We shall also try to follow in the footsteps of those who preceded us. We shall always strive to achieve a better knowledge and to participate whole-heartedly in all class and school activities throughout the years to come.

Sewickley's Newest Students

We, the seventh grade class of "'61-'62" will give you a bit of seventh grade history before we enter into the eighth grade year.

On August, approximately 128 seventh graders began with anticipation a new pahse of school life--our entrance into Junior High School. We elected the following class officers: President, Patti Litterini; Vice-President, Pamela Kubjalko; Secretary-Treasurer, Fred Burkett; Student Council, Patty Swank, James Theis, Rita Riddle, and Jeffrey Neff.

At first everything seems to be confusing, but with patience and help of our teachers; Mrs. Strahl, Mrs. Pinkerton, Mr. Johnson, Mr. Teacher, our principal, Mr. Lawrence Dalla Betta, and our upperclassmen, we soon became accustomed to our new school life and settled down to work.

We, the seventh graders, found that we had a very full schedule with junior high curriculum. Besides the academic subjects, we took gym, art, music, home economics, and industrial arts.

Many students of our class have participated in school activities, such as band and Junior High football and basketball.

We are sure that our future years at Sewickley will prove as beneficial and exciting as our first, and are anxiously looking forward to the year when we can proudly say, "We are Graduates of Sewickley Area High School."

The 1961 edition of the Sewickley Area Bisons, although not possibly comparable to its predecessor in ability and accomplishments, proved it had a lot of fight and supplied the fans with many thrills as it struggled through its rough seven game schedule.

The season for the team began with drills in mid-August with last year's junior varsity and returning lettermen working out at the football field. These drills determined which boys would attend football camp later in the month.

The ten days of rugged practice at camp and scrimmage with another high school proved to be very helpful to Coach Bruno in determining the Bison starting line-up.

In the opening game of the season, the Bisons clashed with Greensburg-Salem High School and gave the favored "AA" Lions all they could handle before bowing 14-13.

The following two weeks saw the team strike the winning note as it crushed helpless Perry, of the Pittsburgh City League, 33-6; and defeated a very good Freedom team 19-6.

After losing a frustrating 7-6 decision to a fine Glassport squad, the Bisons rebounded to beat Derry Area 12-0.

Traveling to Rostraver, the team met the undefeated and untied Leopards and eliminated them from the Class "A" race in a grueling 0-0 tie.

With a "running" season in mind, the Bisons visited Westinghouse Memorial High School; but the Wildcats proved too strong and Sewickley came out on the short end of a 6-0 score with a disappointing record of 3 wins, 3 losses, and 1 tie.

Junior Varsity

The Junior Varsity Football Team, under the guidance and direction of Mr. Rodebaugh, compete very hard with other schools to gain necessary experience which will be a valuable asset to them.

These boys are as an ambitious group as you would ever hope to find. Always eager to do their best, but always willing to take constructive criticism, they displayed the good sportsmanship necessary for any team.

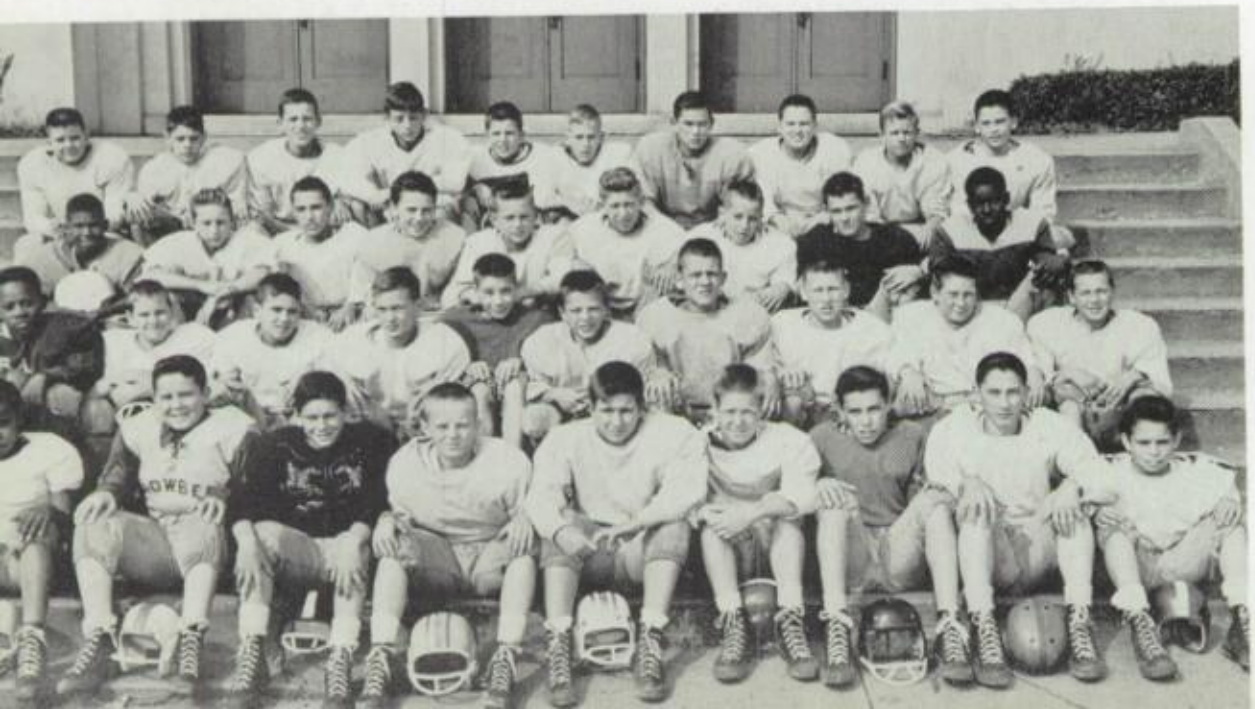
This group, while not compiling an impressive record as far as games won and lost were concerned, tried at all times to be worthy of the honor of representing Sewickley Area Joint High School on the football field.

Junior High

Under the coaching and guidance of Mr. Samuel Hopkinson, the Junior High football team displayed good sportsmanship and a determination to win. These are the boys that will be playing for the varsity team in years to come.

In Junior High football, the most important emphasis is not to win but to gain knowledge of the fundamentals of the sport. These boys are learning the value of co-operation, which will not only help them prepare for future sports, but also for future living.

Seventh and Eighth



The Seventh and Eighth grade Intramural football program was under the guidance of Mr. Smith.

This program was initiated with the main purpose of creating interest and permitting more boys to learn the fundamentals of the game.

These boys are not permitted to compete with other schools but often are divided into teams for practice games. This is the first opportunity for many of the boys to practice team co-operation and sportsmanship.

The training the boys received should be a valuable asset to them in remaining years at Sewickley Area.

S Club

The "S" Club has stood true to tradition this year by upholding its reputation of being one of the leading organizations at Sewickley.

The boys are under the supervision of Mr. Bruno and Mr. Hopkinson.

Earning enough money to buy the Senior jackets, gold footballs and basketballs is the purpose of this club.

Wearers of the "S" are the boys who have earned them on the gridiron, court, and diamond. We hope that they shall always "keep our honor bright."

One of their activities this year was to co-sponsor a smorgasbord.

Athletic Council

The sole purpose of the Athletic Council is to establish and to meet the athletic needs of all students. The faculty members, the administration and the members of the school board who were chosen to serve on the Athletic Council, give recommendations to the other school members about problems pertaining to athletics.

The Athletic Council is appointed by the President of the Joint School Board. These members are: H. W. Good, Supervising Principal; Lawrence Dalla Betta, High School Principal; John C. Bruno, Athletic Director; John Podbesek, Melvin True, and William Everett, School Board members.

Senior Varsity Basketball

The 1961-62 Sewickley Area Varsity Basketball Team, coached by Mr. Hopkinson, has the potentials to comprise a productive season. The team has height, ability, and experience, all of which constitute the necessities of a good team. The senior members of this team are the following: William Aujay, William Baloh, Ronald Caldro, John Campfield, Jay Cook, Victor Dalla Betta, and Richard Vozel.

They practice in the high school gym after school for many, long, tiring hours to improve their accuracy. These boys always try to do their best during the games and at the same time display the utmost in sportsmanship. At the end of the season the team will certainly have a commendable record to show for its efforts.

Junior Varsity

The Jr. Varsity Basketball Team attracts quite a bit of attention, since it is in their ranks that our future varsity stars are usually born.

Mr. Rodebaugh, the coach, worked diligently this year to make skilled veterans of these young and sports loving amateurs.

He tries to teach the boys the importance of good sportsmanship, to be mindful of the rules, and to follow the fundamentals of the game.

With all the knowledge they've gained playing this year, it seems inevitable that they too will have another future team that Sewickley can boast about.

Junior High

The Junior High Basketball team attracts quite a bit of attention, since it is in its rank that our future varsity stars are usually born.

Mr. Smith worked hard this year to make skilled players of these young inexperienced, sports-loving boys. Having been taught the importance of good sportsmanship, as well as the fundamentals of the game, the boys played hard to win, but were always mindful of the rules.

Watching this group, observers were able to speculate on what is in store for Sewickley in the future, as far as basketball is concerned.

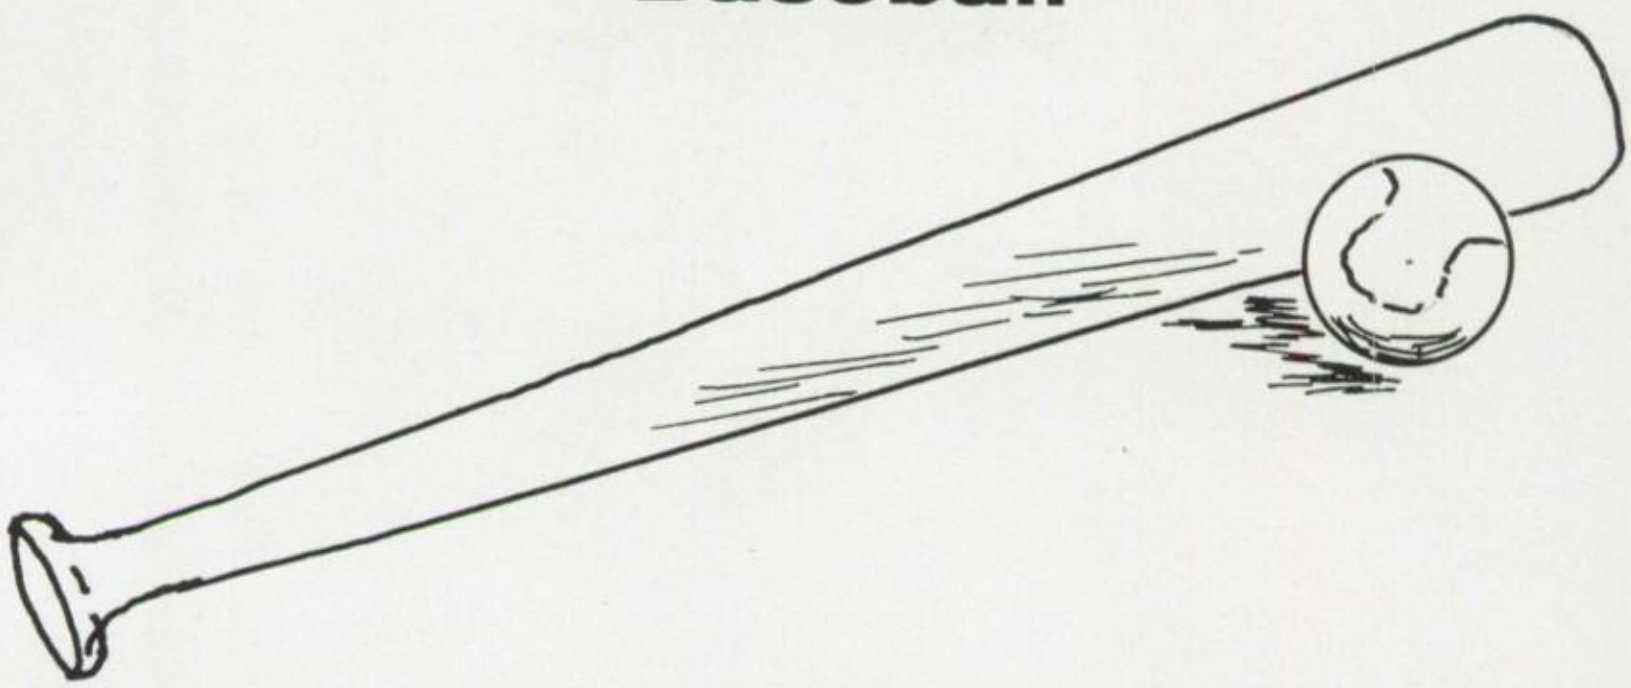
Junior Senior Baseball



Under the direction of Head Coach Robert Rodebaugh, the Sewickley baseball squad is expected to wrap up another season in their usual competitive form.

The 9 member team will open their 10 game season against Hempfield and will play home games.

The team has an advantage this year of having eight Senior players who are: Daryll Antoszyk, Outfield; William Aujay, First Base; Jay Cook, Right Field; Victor Dalla Betta, Second Base; Frank Lovato, Catcher; Peter Molnar, Outfield; Kenneth Nicoletto, Outfield; Richard Vozel, Shortstop.

Annual Staff

We, the annual staff of 1962, gratefully acknowledge the co-operation and participation of the student body and faculty in helping to make our yearbook a success.

We also extend our thanks to Karen Rice, a former student at Sewickley, now attending Hempfield High School, for contributing suggestions and artistic work.

Mr. Albert Andreo, our advisor, efficiently supervised the annual staff in laying out the plans for our yearbook. We are thankful for his patience and understanding.

This year the staff worked diligently to produce "The 1962 Sewickley." We hope that this yearbook will bring back memories of your high school days.

BUSINESS

Co-business managers ... Frances Kizielewski and Venie Ann Reynolds. Typist ... Linda Ray

The members of the Business Staff worked diligently to finance the 1962 edition of "The Sewickley." The staff earned money by selling Christmas cards, advertisements, and yearbooks. They also handled the refreshments at the home football games. Co-business managers this year were Frances Kizielewski and Venie Ann Reynolds.

Acting as typists were Linda Ray and Shirley Guerrieri. With the assistance of Mr. Albert Andreo, the staff earned enough money to help make "The 1962 Sewickley" the most enjoyable yearbook ever published. The Business Staff deserves outstanding notice for their industriousness and effort.

S.A.H.S. Band

Brilliant display of musical ability

What organization added zest, color, and that extra touch to the football games, pep meetings, and summer parades? It was the Sewickley Area Band under the competent direction of Mr. William Kober.

Because of constant practice and long hours of hard work, the band was able to present precise and excellent entertainment at the various functions throughout the school year.

Its performance in the annual band concert provided an enjoyable display of music and skill to all who attended.

The officers are: President, Donald Leasure; Vice-President, Helen Lackey; Secretary-Treasurer, Judith Stevenson; and Student Council, John Kusmierek.

Band Officers

Senior High Chorus

Every Tuesday, during activity period, the Senior High Chorus assembles in the bandroom for a delightful singing session. Under the direction of Mrs. Sensenich, the chorus has progressed rapidly this year as usual.

During the year the group sang a variety of songs, and of course the traditional carols at Christmas.

Venie Ann Reynolds, Tonna Long, and Donna Moore, who make up the Senior High Trio, are three talented girls who often take part in special activities.

Who knows, maybe in the future some of our aspiring songbirds of this club may become great singers.

Senior members in action

Majorettes

Modern lasses with marching ability

Leading our colorful Sewickley Area High School Band is our eleven high-stepping majorettes.

Under the leadership of the head majorette, Marilyn Knor, this attractive and energetic group displayed their fine talents throughout the football season, at pep meetings, and at various parades.

The girls originate their own drills and baton twirling routines and show their great eagerness and ambition by having practices during the summer and every seventh period.

Those graduating are: Head majorette, Marilyn Knor, Phyllis Eichler, and Carol Fraicola.

Cute, enthusiastic, and peppy are good words to describe our cheerleaders for 1961-'62.

Their skits were well planned and organized under the supervision of Mrs. Herbert.

Their cheering has brought great joy at the football games, basketball games, and at the pep meetings to lead the boys on to victory. They proved to be worthy of the great title, "Sewickley Cheerleaders."

Those graduating are: Head cheerleader, Deborah Zimmers, Dorothy Derr, and Janice Serro.

Girls' Athletic Association

Gleeful girls filled with pep

This energetic group of girls under the capable supervision of Mrs. Herbert has done much to further good sportsmanship at S.A.H.S.

The organization consists of senior, junior, and sophomore girls who are interested in participating in sports, games, and dancing.

Among the various sports and activities the girls participate in are badminton, volleyball, basketball, and square dancing.

This club is one of the largest in the school.

Future Homemakers Of America

F.H.A.

The members of this club are enrolled in the home economics class. Most of the members are interested either in furthering their knowledge on this subject by going to college or becoming homemakers soon after graduation.

The club made a field trip to a nearby meat packing company which proved to be both interesting and informative. This year, under the skilled supervision of Mrs. Vanderscott, the Future Homemakers of America decorated the trees in the hall for Christmas. The officers of the club for 1961-'62 are: President, Marilyn Carlson; Vice-President, Rebecca Hamilton; Secretary, Nancy Stader; Treasurer, Linda Finfrock.

F.T.A.

The Future Teachers of America is a recently organized club, which our school added to its extracurricular activities last year. The purpose of the club mainly is to prepare students who plan to enter the profession of teaching. During the year, the club will visit various colleges and schools. Senior members are given the privilege of teaching classes to give them preparatory training in the teaching profession. The two advisors are Mr. Gradisek and Mr. Halula. Officers include: President, Richard Vozel; Vice-President, Carol Lavella; Secretary, James Bogac; Treasurer, Ronald Fennell; and Student Council Representative, William Aujay.

F.N.A.

The Future Nurses Club of America is composed of the girls who plan to enter the nursing profession for a career.

Throughout the school term, the girls in this club are shown movies to instruct them in the fundamental practices of nursing.

Mrs. Fenton, the capable advisor of this club, puts great effort in making this club a success.

The officers are: President, Maureen Sleber; Vice-President, Nancy Wilson; Secretary, Stanlee Kleeb; Treasurer, Marilyn Betlan.

The project this year was to complete a Christmas list for a girl their own age who lives at the Greensburg Orphanage.

Banking Class

Beneficial to their business ambitions

The Banking Class had its first meeting on September 12, 1961. Classes were held every Monday and Thursday during activity period.

Under the instruction of Mr. Pittavino, of the First National Bank of Herminie, Pennsylvania, the students learned such things as: Service and policy decision functions of the Federal Reserve Banks, the monetary system of the United States, and the services of commercial banks, trusts, and statements of condition. A special agent of the F.B.I. visited the class and explained to the students about a career in the F.B.I.

It is certain that those who had an opportunity to participate in this class will find it of great benefit in the future.

Familiarizes the students with the traditions of France.

French Club

Le Cercle Francais consists of Junior and Senior French students who are interested in French customs and traditions. The club is supervised by Mlle. Mitchell and presided over by Mlle. Frances Kizielewski. Other officers are as follows: Secretary, Arlene Kosor; Jr. Vice-President, Stanlee Kleeb; Jr. Secretary, Rosalyn Garzarelli; Jr. Student Council Representative, George Stout; Treasurer, Vincent Steban; Club Reporter, Patricia Dermotta; Program Chairman, Tonna Long; and Social Chairman, May Rupert.

Manuscripts Incorporated

Maintains a high standard of writing

Manuscripts Incorporated is a club composed of students possessing a skill in creative writing. In order to belong to this club, it is necessary to be a senior high student and write an original composition. These compositions are used in the Reflector, in various contests, and for classroom survey. Under the capable supervision of Miss Mitchell, this group has worked diligently and enthusiastically to promote interest in the literary field through bi-monthly meetings held in the auditorium.

This staff makes possible our school paper the "Reflector" which as the name suggests, "reflects" the news in and around our dear old Alma Mater.

It consists of Juniors and Seniors and is under the supervision of Mrs. Garlow.

We are quick to recognize the excellence of the school paper, but seldom do we give sufficient praise to the staff, whose untiring efforts are responsible for its success.

Reflector Staff

Offer their assistance daily

Office Force

Striving to help Mr. Dalla Betta run the office more smoothly and efficiently in their spare time is the job of this group of Senior High students.

This group performs daily tasks, such as, delivering mail, answering the telephone, running errands, welcoming visitors, and any other miscellaneous job that has to be done.

These students are an asset to the office and our school.

Usherettes

The usherettes in their black and white outfits always create a good impression upon the audience, with their courtesy and pleasant manner of taking tickets, giving out programs, and seating guests.

These girls are selected in their sophomore year and serve throughout senior high.

These girls are: Janet Lesniak, Jane Bussard, Stanlee Kleeb, Elizabeth Highberger, Carol Lavella, Mary Stader, Linda Fretz, Marilyn Carlson, Nancy Wilson, Janice Serro, Mary Edith Stares, Phyllis Eichler, and Joann Klus.

This year the S.A.H.S. thirteen usherettes are under the supervision of Mrs. Vanderscott with Janice Serro as the head usherette.

Use much charm and grace in their job

Lend their time to make the library more efficient

Librarians

Capably trained by Mrs. Lowry, the librarians give courteous and dependable service. They do cataloging, carding, books, typing, and various other necessary jobs in addition to their daily library service.

The co-operation of the study hall teachers and the librarians keep this busy center running orderly and smoothly during the day.

Officers of the Library Club are: President, Phyllis Eichler; Vice-President, Mary Stader; and Secretary-Treasurer, Carol Fraicola.

Senior High Student Council

Study the problems of the student body

The governing body of Sewickley Area High School is the Student Council.

The Council is made up of representatives from each homeroom and one from each club. These students, under the capable supervision of Mr. Joseph Andreo, work together to incorporate a democratic way of thinking, to solve any problems concerning the basic principles of school life, and to do anything which will lead to the betterment of the school.

Being able to solve school problems through reasoning and co-operation will undoubtedly help the students in making important decisions later in life.

In addition, their aims are to develop student responsibility, co-operation, and school pride, and to create a better understanding between the faculty and the student body.

Junior High Student Council

Join together to better their student body

Stage Crew

Sees that the stage is in order

Our stage crew is a group of boys under the supervision of Mrs. Vanderscott. Some of the duties they must perform are setting up scenery for stage productions, which are demonstrated both to our high school students and to the general public, keeping the stage clean, regulating lights, both on stage and in the auditorium, opening and closing the stage curtains, plus any other minor tasks that are necessary for stage performances. Complete success for any type of assembly that is put on from our stage is dependent upon this crew of hard-working, attentive individuals.

Movies help to make our classes more enjoyable

Mr. Rodebaugh, our capable advisor of the movie crew, has selected a group of individuals composed of both girls and boys to show to the student body all types of films. The students, who are selected for the movie crew, must be trustworthy and dependable. They are also expected to maintain a high scholastic standing because they are sometimes deprived of their study halls. These students assume the responsibilities of operating and taking care of different types of machinery that are used and the care of the different films.

At this time of the year one hears much of the word "success." Success has many definitions. It can denote the kind of sane and sensible living that brings rewards in personal happiness as well as financial gain.

Anyone can follow the line of least resistance into mediocrity. A man is judged not by his qualifications, but by what he does with them.

The three essential ingredients of success are character, intelligence, and experinece. An intelligent person picks up experience quickly, but character is the one ingredient he must supply himself. A person may be brilliant, talented, and highly educated, but he can only prove himself by reliability and integrity.

Administration

MR. GOOD

Supervising Principal

There is grave danger of becoming confused and lost in the present day tendency towards mass operation. We read about mergers, jointures, and combinations of steel companies, airlines, and schools. The individual may feel that he is carried along on this tide of expansion with no self-determination as to his course or destination.

First and foremost, you are an individual; you are shaping the pattern of your life; you alone can determine what your future will be. One fact is certain; the individual is the basic factor in any operation regardless of how large or impressive it may be. Any movement is simply a combination of individuals and it is no more effective than the effort of each person involved. You, as an individual, will make your own place in the economic and social structure of your time.

Team work and group spirit are essential, but always remember that the success of the team is the total success of each individual on the team. As a graduate, your success in this mass operation will be determined by the positive attitude and determined effort with which you accept your individual responsibility.

H. W. GOOD

MR. DALLA BETTA

High School Principal

The public school is a democratic organization to provide all children with an education and to develop within these boys and girls high ideals, good character, and personality.

Sewickley Area schools are providing this opportunity and I am happy to be a part of this organization. Many of our past graduates have gone out into the world and have done very well. I'm sure that many of the boys and girls presently in our schools, who are properly preparing themselves by working up to their capacities, will also advance far in their future work. It takes a great deal of effort and much perseverance to be successful, and I feel that with the training received in our schools, many more will succeed.

Mrs. Bair is the special education instructor. This is her second year at Sewickley. Mr. Petroff teaches history and civics. He is assistant football and track coach.

Mr. Dalla Betta, besides being our high school principal, also finds time in his busy schedule to teach the Seniors trigonometry. Mr. Rodebaugh instructs students in algebra II, advanced algebra, and plane geometry He also manages the Movie Crew. Mr. McCune gives seventh and eighth graders instructions in general Junior High arithmetic, and he teaches history and civics to the ninth grade.

Enjoying a breath of fresh air between math classes are Mr. Dalla Betta, Mr. McCune, and Mr. Rodebaugh.

Taking time out from their busy schedules to pose for our camera are Mr. Lasko, Mr. Bruno, and Mr. Boggs.

Mr. Bruno is our capable football coach. He is also Athletic Director, sponsor of the "S-Club," and the boys' health teacher. Mr. Lasko instructs junior and senior high boys in industrial arts. Mr. Boggs is director of the junior and senior high students in industrial arts, including electricity and machine shop.

Mrs. Herbert teaches physical education and health and is responsible for the G.A.A. Mrs. Sensenich is in charge of both the junior and senior high choruses.

Mr. Kober, as director of our band, has livened many a half time at football games.

Mr. Pritts teaches reading to our seventh and eighth grade students. Mr. Gradisek instructs the seniors in Problems of Democracy and acts as our guidance counselor. Mr. Hopkinson is our driving instructor and has survived to teach ninth grade science.

Looking over the plans for the Senior High Christmas Program are Mrs. Herbert, Mrs. Sensenich, and Mr. Kober.

Mr. Hopkinson looks over the honor roll while Mr. Gradisek and Mr. Pritts look on.

Mr. Johnson, Mr. Halula, and Mr. Teacher taking a break.

Miss Mitchell planning the schedule for the day with the assistance of Mrs. Garlow and Mrs. Leasure.

Mr. Johnson, a newcomer to Sewickley, teaches geography and science to the seventh and eighth grade students. Mr. Halula, our Latin teacher, is one of the advisors of the F.T.A. Mr. Teacher, another newcomer, instructs arithmetic, science, and geography in the Junior High.

Mrs. Garlow instructs Juniors and Seniors in English and also manages a College English class. She is advisor of the Reflector. Miss Mitchell who teaches French and English also manages the French Club and Manuscripts Incorporated. Mrs. Leasure instructs English and literature to Freshmen, Sophomores, and Juniors.

Mr. Andreo teaches American history and P.O.D. The Senior High Student Council is under his supervision. Mr. Fullerton introduced World history and commercial law to Juniors and Seniors. Mr. Vassia teaches history to Junior High students.

Taking time out from their history classes are Mr. J. Andreo, Mr. Fullerton, and Mr. Vassia.

MISS RUTH BEDFORD

In Recognition

We, the Seniors of 1962, would like to extend our appreciation to Miss Ruth Bedford for her dedicated service as a teacher.

Miss Bedford came to Hempfield Twp. from Shippensburg in 1923 and taught there until 1929.

In September, 1929, she became an Elementary Teacher at Cameron School and taught there until May, 1946.

Miss Bedford graduated from Shippensburg State Teachers College in 1938 receiving her B.S. degree in Secondary Education.

In 1946 she was transferred from Cameron to Sewickley where she taught English and art to Junior High students.

She retired in May, 1961, after a total of 38 years of teaching at various schools.

Miss Bedford, the Class of 1962 would like to commend you for your many years of service at Sewickley Area High School.
